

ArborCreekCommunityNewsletter

Volume I / Issue 4 Supplement

November 2002

The local food bank is experiencing an extreme shortage of supplies and the Boy Scout food drive is not scheduled until next February. It is my hope that our Arbor Creek Community can help out in this time of crisis. I will be placing a tote beside my mailbox at 1637 Myrtle Drive in the hopes that everyone will donate some canned food which I will present on behalf of our community to the local food bank rep. at the next Chamber of Commerce meeting. We all have much to be thankful this year. New houses and great neighbors. Lets all give a little to the community in which we have made our homes. I know with a little effort we can make a huge difference in the lives of people less fortunate then ourselves. Give as much as you can. Believe me your generosity will be returned tenfold.

Yours truly,
Michael Lederman
